DATA CARD DESCRIPTION:

After working and raising families for most of their adult lives, these seniors can enjoy their retirement years with a sense of security. Their Lifestyle/Finances are Middle Income with substantial fixed income without major family responsibilities and expenses. Their Leisure Activities/Interests include Self-Improvement, Time for Travel & Volunteer work. These seniors can be targeted for a wide variety of offers including financial, insurance, fund raising, telecommunications and travel.

COMPANY DESCRIPTION:

Goldleaf Data delivers power to your company.

Power to acquire new business by reaching new connects faster – with the most affordable business and consumer data in the market. That is the Goldleaf Data difference.

The truth is, Goldleaf Data is unlike any other new mover data company you may have tried before. We are a data originator, not a data reseller, which means we get our data – both consumer and business new connect data – **directly** from the telecommunications providers (Telcos). This makes our data fresher and more accurate. The difference Goldleaf Data makes is unmistakable.

Fresher Data. Faster Data. Better Data.
